Dear Ginny;

The Celebrate Commemorate Committee would like to say thank you to your organization for being a wonderful addition to our community event. The Seneca Soundwaves Chorus has always provided quality musical entertainment for the hundreds of patrons that attend this yearly event.

As you know Waterloo, NY is the Birthplace of Memorial Day and every year we hold a community wide celebration honoring those that secured our many freedoms. This event is truly a community event that provides quality entertainment throughout the weekend. We always look forward to the Seneca Soundwaves Chorus being a part of our event.

Again, thank you and we look forward to seeing you again at next year's event!

Respectfully,

Jane Shaffer
